• SINGLE ORIGIN •

FINE FLAVOR CHOCOLATE

• SMALL BATCH •

## TRUE CACAO FLAVOR

*Our delicious hot cocoa is made right here at our 225 year old farm in Sudbury, Massachusetts, from the same premium single origin beans we use to make our chocolate!*

To make this single origin Hot Cocoa Mix we start with our own fresh pressed cacao powder, then add just the right amount of organic sugar. The result is a rich, satisfying hot cocoa with true cacao flavor.

### • NON-ALKALIZED, NO ADDITIVES •

Many hot cocoa mixes contain numerous flavor altering additives and are alkalized – washed with a solution of potassium carbonate. This process significantly changes the flavor of the cacao and removes many of its health benefits.

At Goodnow Farms we *never* alkalize, and our cacao has absolutely *no* additives! We're one of the only single origin hot cocoa mixes on the market. This is a unique product and, as a result, quantities are limited.
